## **Accreditation**

## **School History**

Holy Cross Central Catholic School is located on the Holy Cross Central Parish grounds and serves Pre-school through 8<sup>th</sup> Grade under the Archdiocese of Indianapolis and as a member of the Notre Dame ACE Academies.

## **ADMISSIONS POLICY**

### **Non-Discrimination**

The School Board and Administration establish policies for admission of Catholic and non-Catholic students in alignment with Archdiocesan policies. Catholic schools administered under the authority of the Archdiocese of Indianapolis comply with those constitutional and statutory provisions as may be specifically applicable to the schools which prohibit discrimination on the basis of race, ethnicity, color, sex, age, disability, or national origin in the administration of their educational, personnel, admissions, financial aid, athletic and other school administered programs. This policy does not conflict with the priority given to Catholics for admission as students. This policy also does not preclude the ability of the school to undertake and/or enforce appropriate actions with respect to students who publicly advocate any practices or doctrines that are inconsistent with the religious tenets of the Catholic Faith. Catholic schools have not been, nor shall they become, havens for those wishing to avoid social problems confronting them in the public sector.

Children entering Pre-3 must be three (3) years of age by August 1st. All new students seeking admissions to Holy Cross Central Catholic School will be evaluated based upon current standardized testing, report cards, and other relevant information from the school last attended. All students are taken on a probationary status for one semester to ensure that Holy Cross Central Catholic School can meet the student's educational needs. This period is also used for the student to prove him/herself socially, academically, and behaviorally. If during this period there are problems, a student may be asked to withdraw his/her attendance at Holy Cross Central Catholic School.

### **Enrollment Process and Lottery Procedures**

Enrollment in the school will be open to all students in which resources are available to fit the needs of the child. Guaranteed space will be given to students enrolled and admitted the prior year and priority will be given to siblings of students already enrolled prior to the close of open enrollment if there is an open spot.

The school will hold an open enrollment period for a specific two-week period in March. If fully completed applications exceed the number of spaces available, the last business day of the open enrollment period will be the deadline for applications to be drawn by a random selection lottery process.

Applications will be available in the school office on school days during school hours. School staff will email, mail, or fax applications upon request. Complete applications received after the open enrollment period closes, but before the lottery, will not be eligible to participate in the lottery, but will be added to the end of the waiting list created at the time of the lottery.

A random selection lottery process will be held within four weeks of the close of open enrollment. The school will notify all applicants of the public drawing's time and place. Names will be drawn until all classroom seats are filled, then a waiting list will be established, in the order in which they were drawn, to fill openings during the school year for which the student applied. After all eligible names are drawn; the names of applicants who filed after the close of open enrollment will be added. Applications received after the deadline will be added in the order in which they were received.

Applicants on the waiting list must resubmit an application for the year during the open enrollment window for the next academic year. Once admitted, students will remain eligible to be admitted for successive years without having to re-enter the selection process.

## Public Notice of Open Enrollment

The school's open enrollment period will include some evening and weekend times to accommodate family's needs. The school will provide notice of open enrollment by:

- Mailing written notice of the open enrollment period along with an "Intent to Enroll" form to all families who have inquired about school enrollment
- Posting written notice of the open enrollment period at the school, parishes (bulletins) and at area libraries, community centers, and day care centers
- Written notices of the open enrollment period will be submitted to local media outlets.

## **Marketing**

The schools' recruitment efforts will target all segments of the community in a manner that does not discriminate against students of a particular race, color, national origin, religion, or sex. Increased efforts will be placed on reaching families that are traditionally less informed about school options. A summary of key recruitment strategies follows:

- Conduct school orientation/marketing training for all employees and stake holders
- Conduct enrollment presentations twice yearly
- Distribute school posters and school brochures with application and open enrollment information to local libraries, small businesses, and restaurants
- Offer application folders that inform, engage, and compel student and parents to choose the school
- Host Open House for current and prospective student families
- Place ads in various media outlets
- Use of "Enroll Now" yard signs in strategic locations throughout the neighborhood
- School website to make information about the school, including enrollment information, timely and accessible to parents and students

## **PARENTAL RESPONSIBILITY**

Good example is the strongest teacher. Your personal relationship with God, with each other, and the Church community will affect the way your child relates to God and others. Once you have entered a partnership with the school, we trust you to be loyal in this commitment. During these formative years, your child(ren) will need constant support from both parents/guardians and staff in order to reach their full potential. Mutual respect between staff members and parents will model good mature behavior and relationships. In addition to example, other responsibilities are:

1. To encourage your child to obey the regulations and principles of good behavior
2. To support and cooperate with the school's discipline policy
3. To provide adequate places for study and encourage completion of assignments
4. To encourage the development of your child's individual talents and interests
5. To build religious celebration and family prayer into your daily life
6. To keep the school informed of the special needs of your child
7. To read all communication from the school and return requested information promptly
8. To attend conferences and to request additional information as needed
9. To ensure that your child arrives and is picked up from school on time
10. To ensure that your child is dressed according to the dress code
11. To ensure that your child gets to bed early on school nights
12. To actively participate in school fundraiser
13. To meet all financial obligations of the school
14. To notify the school of any changes to address or phone numbers promptly
15. To notify the school with a note indicating the reason a child has been absent no later than 8:30 AM
16. To treat staff with respect and courtesy
17. To cooperate and follow all arrival and dismissal procedures

# ACADEMICS

## **Curriculum**

Holy Cross Central Catholic School follows the State of Indiana and the Archdiocese of Indianapolis guidelines for textbook adoption, standardized testing, and curriculum.

## **Textbooks**

Holy Cross Central Catholic School will select textbooks that are approved by the Indiana Department of Education. Textbooks are evaluated and adopted on a rotating basis.

## **Standardized Testing**

Holy Cross Central Catholic School follows all state guidelines in the administration of ISTEP+, IREAD and WIDA testing. Students in grades 3-8 will participate in the ISTEP+ Test and other standardized testing. Results of these tests will be used to provide the highest quality instruction to meet your child's individual academic needs.

## **Homework**

One of the principle means of communication between parents and the school is homework. Homework provides parents with an opportunity to follow what and how well their children are doing in school. Cooperation of parents in supervising homework is a vital element in the learning process of the student. Written work is not the sole type of homework; study and oral assignments are also given. The student should realize that homework is his/her responsibility and must be done consistently with emphasis on completeness, accuracy, and neatness. Planners will be provided to students in grades 3-8 and students are expected to utilize them. Students are allowed one school day per excused day of absence to make up missed work.

Daily recommended times for study and homework are:

- Primary Grades (K-2): 15-30 minutes a day
- Intermediate Grades (3-6): 30-60 minutes a day
- Middle School Grades (6-8): 45-90 minutes a day

## **Field Trips**

The teachers at Holy Cross Central Catholic School strive to provide experiences which show that learning and growth are continuing parts of life. Field trips expose students to parts of our world that cannot be brought into the classroom. Trips to historic places, factories, farms, city utilities, and government buildings are a part of the experiential learning that plays a vital role in a child's education. Each student will be required to return a written permission slip, signed by a parent or guardian, for each field trip. Verbal permission, permission written on non-permission slip forms or faxed permission slips cannot be accepted. Teachers arrange transportation and supervision for these trips. There may be a fee associated with field trips. Any fee must be paid in full for the child to participate. Students should remember that participation in a field trip is a privilege earned by students, not a right. Individual teachers, in consultation with the administration, reserve the right to restrict or deny participation in any field trip due to, but not limited to, poor academic performance and/or poor

conduct. If the field trip privilege has been lost, or the proper form and fees have not been collected, affected students will be asked to remain in a different classroom, or under the supervision of staff members for the duration of the trip. Students participating in a field trip must ride the bus to and from the field trip with their class. All monies collected for the field trip are non-refundable.

## **Religious Instruction**

Holy Cross Central Catholic School is part of the Archdiocese of Indianapolis. Religion is taught at each grade level and spirituality is part of everyday life. Students receive instruction in Scripture, Catholic traditions and history, as well as Sacramental preparation. The sacramental life of the children of the Catholic tradition is an important component of our religion program. The Sacraments of Reconciliation and Eucharist are only conferred to students baptized in the Roman Catholic tradition. Parents of children who are Catholic are required to be active partners in the preparation of their children for these sacraments. Students plan and participate in weekly liturgies. The students will attend Mass each Thursday morning at 8:30 AM. Parents are welcome to attend. Holy Cross Central Catholic School uses the Archdiocesan standards for religious instruction. Students in grades 5 and 8 will participate in the ACRE test, generally taken in February, to track progress.

Prayer is an important part of the day. Prayers will be said as a school in the morning, with meals, and at daily dismissal. These prayers may be formal, spontaneous, or shared prayer by the students. It is a tradition in Catholic schools to place a high priority on service. The purpose of service is to provide students with the opportunity to make a difference in our Church and surrounding communities through various service and support programs.

## **Title One Program/Special Programming**

Holy Cross Central Catholic School students who qualify may receive assistance from the Title 1 Program through Indianapolis Public Schools (IPS). Title 1 teachers are hired by IPS to work in Holy Cross. Currently, there are two full-time Title 1 teachers at Holy Cross. If a student is selected for the Title 1 Program it is our expectation that they will participate fully in the program. While a part of the Title 1 Program, students will obey all school rules and expectations.

In the event for academic testing to determine learning needs for students, Holy Cross works with the Indianapolis Public Schools Special Education department to provide necessary testing and guidance for academics, speech, and other areas that affect learning. Students who qualify for an Individual Education Plan for academics will receive additional services based on their area of need. Holy Cross employs two part-time resource teachers who work with the classroom teacher to provide necessary assistance to children with special learning needs. If a student requires occupational, speech, or other specialized therapy he/she may receive therapy through Indianapolis Public Schools.

WIDA Assessment Management System is utilized to support academic language development and academic achievement for linguistically diverse students. Testing through WIDA gives educators a standardized level of language development for new language learners. The scores received through testing are then used to determine area of need for the student language development. Holy Cross Central School budgets for a full-time English Language Learner (ELL) teacher.

## **Library Services**

Holy Cross Central Catholic School is a shared partner of the Indianapolis-Marion County Public Library's Shared System. The Shared System is part of the library's public computer catalog. All of our books have been cataloged and bar-coded. Students can request books, CDs, and videos online from any library in the city, and a library delivery truck will bring us materials every week. Families can return things checked out at school to a branch library and can return things checked out at a branch library to the school.

Our school library is a key element in our education program. Because reading is so important to the success of our students, the school does not limit the number of books a student can check out. We ask students to take as many books as they can read between visits to the library. Students are responsible for the books, CDs, and videos they check out on their library cards. If something is damaged or lost, students are required to pay for a replacement. Students may not check out any new items if they have something overdue or lost. We will add the cost of damaged or lost things to the family's bill.

## **EVALUATION OF STUDENT PROGRESS**

"We assess the standards and skills delineated in the curriculum. It is essential that we not only consider the measurement of certain cognitive expectations in our school and programs, but also check for understanding, the ability to do, the outlook our learners have on life, the commitment our learners have to act on the Gospel message, and to more closely live as Disciples of Christ." -Bringing It All Together, Archdiocese of Indianapolis when letter grades are given, the following scale will be utilized:

### **Archdiocesan Grading Scale**

- A 95%-100%
- B 86%-94%
- C 76%-85%
- D 70%-75%
- F 69% or below

In addition to the core subjects students will also receive a grade for Mass participation. These grades will be Outstanding, Satisfactory, or Unsatisfactory.

### **Parent/Teacher Communication**

Parent/Teacher communication is extremely important. Teachers will contact a parent if he/she has concerns about your child. Please be sure that all phone numbers on file are current and update these as often as applicable. If you have a concern, or if a problem arises, parents are advised and encouraged to contact the teacher as soon as possible. Unannounced interruptions in the classrooms interfere with the learning process of our students. The school requires that if a parent wishes to have a conference with a teacher, an appointment is made in advance. Please be respectful of the time before and immediately following school, as teachers often need this time to prepare for classroom instruction. Parents wishing a conference with the Principal or Assistant Principal should make an appointment in advance through the school's administrative assistant. Teachers will return phone the contacts within two schools days. Due to issues that can arise with technology, if you have not heard back from the teacher within this time frame, please contact the school again. Parents are expected to attend conferences with the teachers. Scheduled conferences are held in mid-September and in mid-February. We encourage parents to inquire as to the progress of their child throughout the school year. Teachers may be contacted through the school office at 317-638-9068 or through the teacher's school e-mail address.

### **Progress Reports/Report Cards**

Progress Reports are distributed to students at mid-quarter. This is done to help parents better assess their child's performance at school. If there are any academic or social problems, the Progress Report serves as a communication device. Report Cards are distributed at the end of each quarter. These Report Cards have been designed and constructed by a committee formed through the Archdiocese of Indianapolis. Please return Progress Reports and Report Cards with a parent signature as soon as possible, the next day is preferred.

## **Promotion, Retention, and Assignment**

Students who have successfully completed a grade will be promoted to the next grade. Administration may recommend repetition of a grade, tutoring, or summer school programming as a requirement for promotion. If the need arises to assign a student to the next grade, it means that the student has not completed satisfactory work but that the parties involved feel that retention is not in the best interest of the child. A child may be assigned to a grade for various reasons. Parents will be notified and a conference will be held to discuss these reasons. If retention is being considered, parents will be contacted prior to the beginning of the fourth quarter. A child will be retained only when there is positive hope that he/she will benefit from it. Social, emotional, moral, and physical factors, as well as academic achievement, will be considered. In the primary grades, failure in reading or math usually constitutes a legitimate reason for retention. Parents will be notified if their child is in danger of failing and a conference will be arranged.

## **Withdraw/Release of Records**

Notify the school office if you are moving, or withdrawing from the school, in order to provide adequate time to prepare withdrawal records. Records will not be transferred to another school until all financial obligations have been cleared with the school. Updated address and phone information should be provided to the school before the transfer occurs. Registration fees are non-refundable.

## ATTENDANCE

In order for all students to benefit from the instructional program, prompt and regular attendance is expected. Regular attendance develops self-discipline and responsibility in a child's formative years. Children cannot learn if they are not present during instructional time. The Indiana State Legislature requires the school to report each student's attendance. A student is considered absent in the morning if he/she misses two hours or more of the morning session. A student is considered absent in the afternoon if he/she misses two hours or more after lunch. It is the policy of the Indiana State Department and the Archdiocese of Indianapolis that each school enforce a procedure that includes steps for those instances where failure to attend interferes with the student's academic performance and/or are excessive in number. If a student is absent six days within a quarter, action may be initiated. **Twelve days or more of absence in a given school year may result in possible retention and a possible report to Child Protective Services.** Alternative solutions will be sought for students with a doctor substantiated medical condition.

**Parents must notify the school office at 317-638-9068 before 8:30 AM each day the student is absent.** A phone call will be placed from the school office if we have not received notification of absence. Students are responsible for making up any work missed during an absence. Homework for an absent student can be requested in the morning for pick up at the school office after 3:15 PM. Students will be given one school day for each excused absence day to make up any missed work.

Most tardiness is avoidable. Consistent tardiness teaches children to depend on others to accommodate their bad habit. Students should learn punctuality at an early age. A child is marked tardy if they arrive in the school after 7:45 AM. We recommend that children arrive by 7:30 AM so they are able to have breakfast. Students not in their seats or assigned area at 7:45 AM will be counted as tardy and will be sent to the office for a tardy slip. **Additionally, any student arriving after 7:45 AM must be accompanied by a parent and signed in at the school office.** Habitually disregarding the policies of the school could result in removal from the school and a report to Child Protective Services. An excused tardy is one that is substantiated with a doctor's note or written notification from person or agency where the appointment took place. The followings are possible disciplinary actions for violations of an attendance:

### Unexcused Absences

- First Unexcused Absence – lunch detention
- Second Unexcused Absence – notify the parent and lunch detention
- Third Unexcused Absence – parent/teacher conference; possible in-school suspension
- Fourth Unexcused Absence – parent/teacher/Principal or designee conference; Student will be ineligible to participate in extra-curricular activities/sports for two weeks
- Fifth Unexcused Absence – Out of school suspension possible expulsion

With regard to suspension or expulsion, please see the Suspension/Expulsion Policy in this Discipline Policy.

**Students absent from school any portion of the day for illness are not eligible to participate in school-sponsored activities, this includes after-school activities/sports. Students with appointments must supply a written notification/release to participate.**

Under Indiana Code 31-34-1-7, a parent or guardian's failure to comply with disciplinary action when a child has been repeatedly disruptive designates the child as a "child in need of services: and the parent may have to go to juvenile court to answer as to why they have failed to comply.

## **Appointments/Early Release**

Should a student need to leave school before the regular dismissal time it will be considered an early dismissal. This will be documented in the student's attendance record as a PM appointment or an early dismissal. Parents are required to sign a release book in the school office. Students will remain in the classroom until contacted by the office. At no time should a parent or visitor go directly to a classroom. For an early dismissal or a PM appointment to be excused the appointment needs to be substantiated with a doctor's note or written notification from person or agency where the appointment took place. Early dismissal for non-medical or emergency reasons may not be considered excused.

## **Absence Due to Vacation**

Students who miss school due to a vacation outside of the days on the school schedule are considered unexcused. Teachers are not required to prepare work early for these students. Students will be expected to make up any tests and missed work. Tests and assignments may not be counted in the same manner as if the students were in attendance on those days. Please make every effort to adhere to the school calendar.

## **Tardiness**

Children begin many lifelong habits during their school years. The importance of being on time for work is a habit constantly needing reinforcement. Tardiness is disruptive to the school, the school day, and to not only the student who arrives late, but also to his/her classmates.

**Students are considered tardy if they arrive in the classroom or assigned area after the morning 7:45 AM.** Students lingering in the halls may be marked tardy.

Ensuring that children arrive on time to school is a parental responsibility. Students are expected to be in class on time. Any student arriving late to school needs to report directly to the office staff for a pass. Students found in the hallway after the tardy bell without a pass will be sent to the office. The student will then work with the school staff to develop an Action Plan to prevent future tardiness.

The Tardy Policy is as follows:

- First Tardy – Verbal warning
- Second Tardy – 2nd Verbal warning
- Third Tardy – 3rd Verbal warning, note sent home for parent signature
- Fourth Tardy – Note sent home and lunch detention
- Fifth Tardy – Parent/Student conference, sign attendance agreement
- Sixth Tardy – Student will be ineligible to participate in extra-curricular activities/sports for two weeks

\*\*\*Continued unexcused tardy arrivals will result in a meeting with principal or designate. A plan will be put in place that could include suspension or expulsion from Holy Cross.

\*\*\*Tardy arrivals will be reset at the end of each quarter.

With regard to suspension or expulsion, please see the Suspension/Expulsion Policy in this Discipline Policy.

In addition to the above policy, excessive tardiness and absences may result in possible retention in the present grade. This will be determined on a case-by-case basis with input from the Principal, teacher, social worker and the child's parent or guardian.

## **ARRIVAL/DISMISSAL**

### **Morning Drop Off and Dismissal Procedure**

Students may be checked into Before Care by their parents beginning at 6:30 AM. During morning arrival until 7:45am, students should enter through the cafeteria doors. School is dismissed at 3:15 PM. Parents are asked to park their vehicles and wait for the children to come to their cars. Children who are not picked up before 3:30 PM will be sent to office and parents could be charged additional fees.

### **Alternate Way Home**

In the interest of safety, all children must have written consent before going home in a manner different than his/her daily routine.

### **IMPACT/After School Procedures**

Students are not permitted to remain at school after hours prior to an activity unless attending the Holy Cross Central IMPACT Program.

### **Morning/Extended Care**

A morning care program is offered from 6:30 AM – 7:00 AM. An extended care/IMPACT program is offered from 3:30 PM – 6:00 PM on days when school is in session for a full day. Extended Care/IMPACT charges will be collected monthly through the family's SMART tuition account. Any student not picked up by 3:30 PM, will be sent to office and the parent/guardian charged. Additional information concerning IMPACT program is available in the school office.

In cases of a delayed school opening due to weather, Before Care will be in session beginning at 6:30.

Pre-school is not covered as part of the IMPACT/Aftercare grant. Aftercare is offered to students Pre-school in the Pre-school classroom. Students are taken on a first come basis with appropriate teacher/aftercare worker ratio. The Pre-school aftercare program is available from 3:15PM – 5:30PM on days when full day school is in session. Snacks are provided as part of the aftercare program.

### **Emergency Closings**

When in doubt as to whether school will be open due to severe weather conditions, please watch local TV stations. Every effort is made to notify the media by 5:30 AM. Please listen for Holy Cross Central Catholic School to be announced.

## **DISCIPLINE PHILOSOPHY AND PROCEDURES**

Holy Cross Central Catholic School strives to educate children in Christian beliefs and to provide a learning environment that will assist the child in developing intellectually, spiritually, emotionally, physically, and socially. Discipline is a necessary element of this mission. We believe that the school must help each student attain the self-discipline necessary for self-reliance and successful learning. Until a student exhibits the ability to be self-disciplined, guidance must, and will, be provided.

We expect students at Holy Cross Central Catholic School to exemplify attitudes and actions, which reflect Catholic values. Values such as respect, honesty, caring, justice, and generosity are the goals towards which all students must strive. Both students and staff must expend constant effort in growth and development toward this end.

The school has a school wide discipline policy, but individual classrooms also set their own additional rules as approved by administration. Disciplinary action is intended to be instructional and corrective, but not humiliating or demeaning. Discipline will be administered with respect for Christian values embraced by the Holy Cross Central community. When necessary, consequences will be administered in a manner that is consistent, fair, firm, and appropriate for each situation.

### **General Conduct**

Students are expected to conduct themselves in an orderly manner at all times when in school or at any school sponsored activity. Students are expected to show respect for teachers, staff members, other students, visitors, and school property. Students should be prompt and prepared. Students should move throughout all school areas in an orderly fashion.

### **Discipline Procedures**

Each teacher is responsible to maintain discipline for all students under the teacher's supervision. If a student exhibits behavior inconsistent with the code of discipline for Holy Cross Central Catholic School, the following procedures will be followed:

1. The teacher and student will resolve the problem by using the classroom discipline plan.
  - a. The teacher and student will resolve the problem by a verbal warning.
  - b. The teacher and student will resolve the problem by a one on one meeting/conversation.
2. The teacher and student will resolve the problem by a written warning in which the parent will be notified and asked to sign acknowledgment of the issue.
3. The teacher and student will resolve the problem and the parent will be notified either by a written warning sent home and/or a phone call to the parent.
4. The teacher and/or student will communicate with an administrator.
5. The teacher, student, administrator, and parent will meet to resolve the problem.

The teacher, in collaboration with the administration, will determine whether discipline will begin at procedure 1, 2, or 3. The Principal reserves the right to determine the appropriateness of an action/consequence should any doubt arise.

## **Restraint Seclusion Policy**

As required by Senate Enrolled Act No. 345 and defined in IC 20-20-4-13, Holy Cross Central School has established a team of staff members to receive annual training concerning best practice as it relates to seclusion and restraint of students under our supervision.

### **Detentions**

A student is subject to detention for any violation of the basic school rules. Detention periods are spent in silence completing a task as assigned. Recognizing that it is impossible to list all types of misconduct, any comparable offenses will be resolved at the discretion of school authority. Violations may include, but are not limited to:

- Rude or discourteous behavior
- Not following classroom rules
- Insubordination
- Disrespect
- Restroom misconduct
- Misconduct during mass

### **In-School Suspension**

In-school suspension will be a supervised situation in which the student is isolated from his/her classmates. The student's parents will be notified by phone and documentation of the offense will be placed in the student's file. A conference with the parents may be required. In-school suspensions may last from one to three days. The student will be given the assignments and will be expected to complete the work and turn it in at a designated time. Tests and quizzes will be taken on the designated date. Responsibility for work and getting missed instructions will be the student's.

Major disciplinary violations may result in an in-school suspension. Violations may include, but are not limited to:

- Profane, abusive, offensive, disrespectful language or threatening language (verbal or written)
- Damaging private or school property
- Causing physical or psychological injury to others
- Academic dishonesty
- Truancy
- Lying
- Repeated failure to follow directions of a teacher or administrator

When serving a suspension, a student may not participate in a practice, compete in a game, or attend extracurricular activities from the day the suspension is served until after he or she has completed a day of school after the suspension.

## **Out of School Suspension/Expulsion**

Suspension/Expulsion will be used only for extremely grave violations. All preventive efforts will be taken with the student, parents, and a member of administration before these policies are enforced. The suspension period begins at the time of the violation. The parents will be notified by phone and documentation will be placed in the student's file. Out of School Suspensions will accumulate throughout the student's enrollment at Holy Cross Central Catholic School. Some infractions that warrant suspension/expulsion may include, but are not limited to the following:

- Stealing
- Vandalism (Parents are legally and financially responsible for the actions of their child.)
- Verbal or physical intimidation of another student or staff
- Drug/alcohol/tobacco offense
- Open defiance of school authority
- Physical aggression (as the aggressor or retaliator)

- Possession, use/selling of drugs/ tobacco on school grounds, or at a school related activity, or on the bus
- Dangerous behavior
- Truancy
- Threatening any staff member, bus driver, parent, or student
- Failure to comply with the discipline policy

Expulsion is permanent, requiring immediate withdrawal. Prior to expulsion, the principal/assistant principal may consult teachers, pastor, and parents.

## **Conciliation Policy**

### **CONCILIATION PROCESS**

Proper Procedure for Addressing Concerns

Set a Conference with:

1. Teacher
2. Teacher/Administrator
3. Administrator
4. NDAA Administrative Staff

## **Rules for Grievance Procedures**

The administrator's decision cannot be appealed in this process, but his/her adherence to appropriate processes, rules, etc., may be appealed.

The principal must carry out all provisions of the process. If a parent has a grievance against a teacher, every effort must be made to settle the grievance at the lowest level (i.e. teacher and parent). If it is not settled at this level, the parent, teacher, and principal meet to settle the grievance. If the parent does not feel satisfied, it may be brought to the NDAA Administrative Staff.

This same process will be followed if the grievance is between a teacher and parent, teacher and student, a substitute and parent or student, a volunteer and parent or student. Good communication practice must be operative to avoid situations leading to grievance procedures. Confidentiality should be practiced by all parties involved.

(IC35-47-9-2) An item viewed in the eyes of the school administrator as a weapon\* shall be confiscated, and the student will be subject to disciplinary action and/or expulsion from school.

\*A weapon could be any instrument, tool, device or body part that can cause bodily harm to an individual and/or cause damage to personal property. The use of a weapon or other objects that are not weapons, but are used for the purpose of inflicting bodily harm or to cause a person to be placed in fear of bodily harm is prohibited at all times on school premises before, during, or after school or at any school sponsored activity, regardless of where held. Examples include but are not limited to: belts, combs, pens, pencils, scissors, and bats.

### **Harassment**

The Archdiocese of Indianapolis and Holy Cross Central Catholic School are committed to providing and maintaining a learning and working environment that is free from physical, psychological, and verbal harassment. This includes racial, ethnic, religious, or sexual harassment and violence. This commitment continues our longstanding policy of fair and equal treatment of every person, regardless of race, color, sex, national origin, age, or socioeconomic status. We have an obligation to provide an environment that is free from intimidation and harassment based on any of these factors. An important element to this issue is the silent bystander to bullying/harassment. All students are expected to stand up for victims and report bullying behavior. Bystander reports of inappropriate behavior are not considered “tattling”, rather, it is considered promotion of Christ-like behavior and dignity for both the victim and the perpetrator.

Harassment can result from a single incident or from a pattern of behavior in which the purpose or effect is to create a hostile, offensive, or intimidating environment. Harassment encompasses a broad range of verbal or physical behavior that can include, but is not limited to, the following:

- Physical or mental abuse, bullying, shunning, intimidation, assault
- Direct or indirect threats
- Racial or religious insults
- Derogatory ethnic slurs
- Unwelcome sexual advances or touching
- Sexual comments or jokes

Students found to be in violation of this policy will be subject to appropriate corrective or disciplinary action, which may include required assessment and counseling (at the parent's expense), detention, suspension, or expulsion. If the investigation result in determining that criminal action has taken place, the information will be turned over to the proper authorities.

### **Electronic Social Media and Blogs**

Engagement in online blogs such as, but not limited to, MySpace.com®, Xanga®, Friendster®, Facebook®, etc. may result in disciplinary actions if the content of the student's blog includes defamatory comments regarding the school, the faculty, other students, and/or the parish.

### **Bullying and Cyber-Bullying**

Holy Cross Central Catholic School attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (seriously, in jest, or online) face detention, suspension, and/or expulsion.

### **Guideline for Catholic Schools on Respecting Person**

The good name, reputation, and personal safety of each student, faculty, staff member, and adult volunteer is vitally important. In order to protect students, employees, volunteers, and the school/archdiocese itself, each student is expected to treat the good name and reputation of other students, school employees, volunteers, and the school/archdiocese with dignity and respect and not engage in any activity or conduct, either on campus or off campus, that is in opposition to this guideline and/or inconsistent with the Catholic Christian principles of the school, as determined by the school in its discretion. Any derogatory, slanderous, hostile, or threatening remarks or actions directed toward any of the above by a student will be seen as a violation of this policy and will be viewed as an extremely serious matter, whether it is done physically, verbally, or electronically through the use of a home or school computer, phone, tablet, or other electronic media or by remote access during school time or after hours. Some examples include, but are not limited to, social media, text messages, blogging, images, pictures, etc. Any individual found to have made or participated with others in making any such remarks or actions will be subject to disciplinary action by the school, up to and including expulsion/dismissal.

### **Involvement in a Fight**

A fight is defined as two or more individuals engaged in any physical contact that expresses anger and which may cause physical harm. The consequence for fighting may result in a school suspension and/or possible expulsion.

### **Assault or Intimidation of an Individual(s)**

Assault is defined as any physical attack or threat of a physical attack on another individual(s) to extort items or favors, induce fear, or for any other reason. Assault or intimidation may result in a school suspension and/or possible expulsion.

## **Probation**

A student placed on probation will be monitored closely. Any major violation could result in immediate expulsion. All transfer students will be placed on probation for one semester.

## **Identification of Potential Threats of School Violence**

We at Holy Cross Central Catholic School in the Archdiocese of Indianapolis have an emergency preparedness plan in place as well as other policies and procedures that help ensure that your child is safe at school. However, we need your help. We ask you to help us identify any situation where a student, staff member, family member, neighbor, or any other person might present a threat to the safety of our school.

Today, for obvious reasons, airport security checkpoints do not permit any behaviors by passengers of a threatening nature. Similarly, at school we cannot allow any behaviors by individuals that might pose a threat to the well-being of our students, staff, and others. We have an obligation to keep our school safe. Therefore, we will take any and all threats, threatening behavior or other behavioral indicators seriously. The school is not a place where we can allow people to make threats, offhanded comments, or practical jokes about violence, or to possess weapons of any type. Nor, can we ignore behavioral signs that might indicate the potential for school violence. We will thoroughly investigate all potential concerns and take appropriate action.

## **Recognizing Potential Problems**

We ask that you look for clues that may indicate that your child, another child you know, or an adult associated with you and/or the school, poses a potential threat of violence. These are generally situations where something “is just not right” -- the behavior appears to be inappropriate for the person’s age, extreme or out-of-character, and the person may need some immediate attention or intervention. This list is not exhaustive, but it does illustrate some behavioral indicators that may highlight a potential problem:

- Direct or indirect threats made against others
- Assignments or writings with violent themes or fantasies expressed (including suicidal themes)
- Statements indicating hopelessness or desperation
- Suicidal thoughts or attempts
- Bizarre thoughts, hallucinations, delusions or paranoia
- Fighting or intimidating behavior
- Missing or stolen weapons
- Possession of weapons
- Angry and emotional outbursts
- Signs of depression
- Obsession with weapons and violence, violent media, music, etc.
- Thoughts of death
- Deep grudges and resentments against particular individuals or groups
- Restraining orders that may involve someone trying to get access to persons at the school
- Any other warning sign that causes you concern about safety at school

## **REPORTING PROCEDURES:**

- Report indicators of potential problems or your concerns to the school administration – do not wait!
- Please ask questions if you are not sure about school safety

## **Emergency Operations Plan**

Holy Cross Central School has an Emergency Operations Plan on file with the State of Indiana and the Archdiocese of Indianapolis. Teachers and staff review procedures regularly and students participate in fire, tornado, and lockdown drills as required by the State.

## **Tuition**

The Notre Dame ACE Academies grant tuition assistance to families who qualify. Tuition is paid yearly (before school begins) or monthly through the NDAA Indianapolis office. Recognizing the impact of our tuition costs, we will utilize CHOICE State Vouchers, CHOICE Scholarship granting organization, and Archdiocesan aid for tuition assistance. Our intention remains to reasonably accommodate any family that desires and places a priority on Catholic education for their child.

## **Fundraising**

We ask that each family help supplement the tuition payment by participating in the fundraising events. Fundraising events are used to offset the cost of field trips, purchase of new equipment, Eighth Grade Mission Trip, etc. The participation of each family makes these events more successful.

# **STUDENT HEALTH**

## **Health Records**

All students entering Holy Cross Central Catholic School are required by state law to present records of immunization. HIPAA laws require that all student health and personal information are kept confidential.

Before entering Pre-School a student must have:

- Four DPT immunizations
- Three polio vaccines
- One mumps immunization
- Three hepatitis B immunizations
- One chicken pox vaccine

Before entering Kindergarten, a student must have:

- Two measles immunizations
- Three hepatitis B immunizations
- Four polio vaccines
- One mumps immunization

Indiana Health laws state that all students entering sixth grade in Indiana schools are required to show proof that they have received:

- At least two doses of MMR vaccine and both doses must have been administered after the first birthday. The second dose may have been administered anytime during the child's life, as long as there were 30 days between doses. The records must be submitted to the school by August 31st.

## **Emergency Contacts**

The school keeps emergency contact information for each family. We ask your assistance in keeping this information up-to-date. Any time you have a change of doctor or daytime telephone number, please notify us immediately. When you are out of town, please leave a number of a relative or friend whom we may contact if needed. Please be sure to advise the office immediately of any address/phone number changes.

## **School Health Clinic**

The Nursing Division of the Marion County Health Department provides school visits. Vision and hearing is screened in select grades. Holy Cross Central Catholic School also has an on-site school health clinic that is staffed by a St. Vincent healthcare employee.

## **Medication**

In order to protect the health and welfare of students and staff members, Indiana law requires that school personnel observe certain safeguards in administering prescription medication to students. All medication must be delivered to and picked up from the school by an adult. Children may not transport medication. All

medication will be kept and dispensed from the nurse's office. The medication must be labeled by name in the original prescription packaging and have the appropriate dosage label. By state law, we are not allowed to dispense aspirin or other medication without specific directions from the parents. Taking medication without authorization could result in suspension or expulsion.

## **Counseling**

Our school counselor is provided through Catholic Social Services. The counselor works with students, parents, and teachers to assist with issues that hinder academic achievement. Remember that parents may also refer their child(ren) to the social worker. The school counselor may be reached by contacting the school office at 317-638-9068.

## **Child Abuse/Neglect**

Holy Cross Central School abides by the Child Abuse laws of the state of Indiana. This law mandates that all cases of suspected abuse and/or neglect be reported to Child Protected Services.

## **Accidents and Injuries**

Injuries and accidents happening during the school day will be reported to the parents/guardians. A written report will be filed in the office and kept on file. It is important that each child has an updated emergency card on file.

## **Wellness Policy**

It is the policy of the Archdiocese of Indianapolis that:

Whenever available, schools will participate in federal school meal and milk programs. Foods sold will meet the current nutrition recommendations of the US Dietary Guidelines for America. All students in grades Pre-School through Grade 8 will have increased opportunities and encouragement to be physically active on a regular basis. Each of the schools within the Archdiocese of Indianapolis will actively engage their school community in following steps that will enable school wide wellness.

- Fast food meals may not be brought into the school
- In light of the information available regarding childhood nutrition, school will discontinue the practice of using candy, soft drinks, or food snacks as rewards for academic performance, or good behavior
- It is recommended that schools limit celebrations which involve unhealthy food choices. Any celebrations must be approved in advance by the teacher

## **Non-Custodial Parents**

Holy Cross Central Catholic School abides by the provisions of the family education Rights and Privacy act of 1975 with respect to the rights of non-custodial parents. In absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school related information regarding the child(ren). If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order which

details the custodial section. This is also necessary to help the school determine when, if ever, the child can be released to the non-custodial parent.

## **GENERAL PROCEDURES**

### **Cell Phones**

It is our goal to diminish the number of interruptions to the school day. One such distraction is the use of cell phones by students and staff. If the parents feels his/her child needs to bring a cell phone to school due to situations such as walking home from school, entering a house when no one is home, etc. he/she is to immediately bring the cell phone to the office upon arrival in the morning. The phone is to be, and stay, in the off position for the duration of the school day. The cell phone may be picked up by the student at dismissal. At no time should a cell phone be in a student's locker or in his/her possession during the school day. It is the student's responsibility to remember to retrieve the cell phone at the end of the day. Any child who is found with a cell phone while under the supervision of school staff will have the phone confiscated and the phone will be held in the office until a parent retrieves it from the principal. Students who continue to disregard school cell phone rules could lose the privilege of bringing it to school.

### **Breakfast/Lunch Program**

Holy Cross Central Catholic School offers a breakfast and lunch program. Breakfast is served daily in the classroom beginning at 7:30AM. The cost of the breakfast and lunch will be announced by the first day of school. Breakfast and lunch menus are sent home weekly. The cost of milk is \$.40. Students who qualify for free or reduced lunch will be charged accordingly. Students need to qualify for free and reduced breakfast/lunches. This determination is made based on family income. Verification must be complete prior to receiving a free or reduced breakfast/lunch.

USDA is an equal opportunity provider and employer.

### **Photo-Video Release**

Please refer to the addendum at the end of the handbook

### **Off-Campus Behavior**

Any entanglement with civil authorities, or off campus behavior, (including Internet activity) that impugns the name of the school will also involve a school punishment.

### **Recess**

Recess is offered each day to students. It is an opportunity for the children to develop social skills and learn new games. It is viewed as an opportunity to teach children. It is important to teach children acceptable behavior both in and out of the classroom setting. Cooperation and competition are encouraged. Behaviors that endanger the safety of other students will result in removal from the playground. Games allowed are based on the safety of the activity. Areas of the playground are sectioned off for various activities. This is also done to reduce the possibility of conflict or minor injury.

Toys, games, cards (i.e. baseball or trading), electronic equipment, (i.e. portable CD players radios, lasers) or other items which have no specific educational purpose will not be allowed in school. These items will be

confiscated and the parent or guardian will need to collect the item from school. The school, administration, and/or staff are not responsible for these items.

### **School Hours**

The school office is open on days when school is in session from 7:30 AM – 4:00 PM. Students are expected to report by 7:45 AM and are dismissed at 3:15 PM. For the safety of our staff and students, all visitors must report to the office, sign in, and wear a nametag for the duration of the stay. Visitors need to be mindful of the teaching and learning taking place. Disruptions to the learning environment need to be kept to a minimum. Classroom visits will only be allowed with the consent of the Principal. Parents are asked to wear proper attire when they come on the school premises.

### **Volunteers**

Holy Cross Central Catholic School could not offer the quality educational program that it does without its great volunteers. We need your help in many capacities! Classroom volunteers are used in many ways. Decisions concerning ways to incorporate volunteers into the curriculum are based on staff and the volunteer's comfort level. All volunteers must report to the school office upon arriving to sign in. All volunteers who come in contact with children must complete our volunteer application process. This includes a volunteer application, a background check and Safe and Sacred. It takes approximately 48 to 72 hours for background check to be verified.

## **Non-Interference Policy**

If, for any reason, a situation occurs between two students or a group of students, the parents/guardians should notify the principal and/or students' teachers. The school personnel will seek to resolve the issue at hand in an appropriate, professional manner. Parents/guardians should refrain from public expressions of disciplining their own child or other person's children. It is the responsibility of the teachers to maintain discipline in the school. Parents are not permitted to discipline or confront other children or parents on school grounds.

## **CYO SPORTS PROGRAM**

Many students participate in a Catholic Youth Organization (CYO) sponsored program of sports competition between the various parishes on the grade school level.

### **Sports Eligibility Requirements**

Participation in the various sporting activities can be beneficial to students. However, academic studies do take a priority at all times. Therefore, any student not meeting the academic standards may not participate in sports. Academic performance and conduct will be evaluated with each progress report and report card. At these evaluation periods, each athlete's participation will be considered.

One failing mark puts the student on probation but allows the student to practice and play sports. Students have two weeks to raise the failing grade.

Two failing marks on a report card disqualifies a student from the team until these marks are raised by the next evaluation period (progress report/report).

Students with two or more missing assignments are ineligible for practice and/or games until all assignments are complete.

Students, who have been determined by the teachers to be working to the best of their ability, but receive a grade below 75% may still be eligible to play based on a conference with administrators, teachers, coaches, and parents. Parents are encouraged to contact the school for assistance in improving academic standing. The teachers and parents will work together to establish an academic plan. It is the coaches' responsibility to provide the principal with a team roster before the evaluation period.

### **Athletic Code of Ethics**

CYO athletic competition is a means of developing youth and giving them the opportunity to enjoy healthful sports. The most important lesson, whether a team wins or loses, is respect for opponents, officials, and spectators. It is important that all concerned follow this code

To emphasize the proper ideals of sportsmanship, ethical conduct, and fair play.

To demonstrate courtesy to opponents and officials.

To recognize that the purpose of competition is to promote the physical, mental, moral, social, and emotional well-being of the players.

Players and parents are a visible representation of Holy Cross Central School it is imperative that sportsmanlike behavior be displayed AT ALL TIMES. Any players or spectators who are not living up to the CYO Code of Ethics will be subject to immediate suspension or expulsion for CYO competitions.

Student athletes are required to participate in the after school homework room when they are playing a sport. The homework room is open from 3:15 – 4:15 Monday through Thursday. The homework room will be monitored by a staff member who is also available to assist with the completion of homework when necessary. Student athletes who have two or more assignments that have not been turned in by Thursday of each week at 3:15 PM will not be allowed to practice or play in a game until all work has been brought to current status.

**Mobile Devices Policy**

Holy Cross Central School may provide students with mobile computers or other devices to promote learning outside of the classroom. Students should abide by the same acceptable use policies when using school devices off the school network as on the school network.

Students are expected to treat these devices with extreme care and caution; these are expensive devices that the school is entrusting to your care. Students should report any loss, damage, or malfunction to the Technology staff immediately. Students may be financially accountable for any damage resulting from negligence or misuse.

Use of school-issued mobile devices off the school network may be monitored.

## **Personally-Owned Devices Policy**

Holy Cross Central School may choose to allow students to bring personally owned devices to use in the classroom after it has been approved by the Administrative staff. Students should keep personally-owned devices (including laptops, tablets, e-readers, smart phones, and cell phones) turned off and stored in the appropriate area, the office, during school hours unless as instructed by a teacher or staff for educational purposes or in the event of an emergency.

Students are expected to follow the same code of conduct for use of personally owned devices on Holy Cross Central School campus or at other functions, whether on or off property, related to the Holy Cross Central School.

## **Security**

Students are expected to take reasonable safeguards against the transmission of security threats over the school network. This includes not opening or distributing infected files or programs and not opening files or programs of unknown or untrusted origin.

If you believe a computer or mobile device you are using might be infected with a virus, please alert teacher. Do not attempt to remove the virus yourself or download any programs to help remove the virus.

## **Downloads**

Students should not download, attempt to download, or run .exe programs or any other executable programs over the school network or onto school resources without express permission from the Administrative staff.

Students may be able to download other file types, such as images or videos. For the security of our network, download such files only from reputable sites, and only for education purposes.

## **Netiquette**

Students should always use the Internet, network resources, and online sites in a courteous and respectful manner.

Students should also recognize that among the valuable content online is unverified, incorrect, or inappropriate content. Students should use trusted sources when conducting research via the Internet.

Students should also remember not to post anything online that they wouldn't want parents, teachers, or future colleges or employers to see. Once something is online, it's out there—and can sometimes be shared and spread in ways you never intended.

## **Plagiarism**

Students should not plagiarize (or use as their own, without citing the original creator) content, including words or images, from the Internet. Students should not take credit for things they didn't create themselves, or misrepresent themselves as an author or creator of something found online. Research conducted via the Internet should be appropriately cited, giving credit to the original author.

### **Personal Safety**

Students should never share personal information, including phone number, address, social security number, birthday, or financial information, over the Internet without adult permission. Students should recognize that communicating over the Internet brings anonymity and associated risks, and should carefully safeguard the personal information of themselves and others. Students should never agree to meet someone they meet online in real life without parental permission.

If you see a message, comment, image, or anything else online that makes you concerned for your personal safety, bring it to the attention of an adult (teacher or staff if you're at school; parent if you're using the device at home) immediately.

### **Cyber Bullying**

Cyber bullying will not be tolerated. Harassing, dissing, flaming, denigrating, impersonating, outing, tricking, excluding, and cyber stalking are all examples of cyberbullying. Don't be mean. Don't send emails or post comments with the intent of scaring, hurting, or intimidating someone else.

Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, will result in severe disciplinary action and loss of privileges. In some cases, cyberbullying can be a crime. Remember that your activities are monitored and retained.
