

Dear HCC Parents,

We have had a great week at Holy Cross Central School! Our students are deep into their new learning for this year. We are seeing strong behaviors, such as listening, sitting attentively, focusing on work and persisting when things are tough.

**Second Steps curriculum:** All HCC students are participating in the Second Steps program in their classrooms. Kindergarten through 5th grade will complete lessons on Skills for Learning, Empathy, Emotion Management and Problem Solving. Grades 6-8 will study Mindsets and Goals, Values and Friendships, Thoughts, Emotions and Decisions, and Serious Peer Conflicts. All grades will participate in Bullying Prevention lessons. These lessons will help all of us develop skills to interact positively with other people and be successful in life.

Have a wonderful weekend!
